

Hidden in Noble Silence

Vacations in Enter Gauja Manors

Hidden in Noble Silence

This is your opportunity to savour the jewels that noblemen have safeguarded in the cusp of the forest for time eternal. Venture forth, rapt in contemplation, essaying your brush back and forth over the canvas, listening to the paint plotting its way into the canvas, and sipping tea in the manor garden, where you will hear the tick tock of the venerable lord's clock.

We invite you to discover Latvia, travelling through time and enjoying the tranquility of the historic residences of the aristocracy fanned by centuries of impressive history. The authentic hospitality of the nobility awaits you, along with the opportunity to step into the world of Latvia's nobility and to encounter its broad heritage, as well as to embark on a stately journey amid impressive settings nestling among painterly landscapes.

During your journey, you will be welcomed at the most important manor houses, castles and palaces in the Gauja region, offering fine dining and accommodation options, and an eclectic offering of additional services, ranging from tours recreating the epochs of the nobility through to scenic horse carriage excursions through the Latvian countryside.

BĪRIŅI CASTĻĒ

The lightest of breezes will cast the rustling leaves in the park aloft. The flutter of wings will announce the return of the stork to its home in the manor house tower. And don't be surprised to hear the ducks calling to one another as they play hide and seek among the water lilies. The bathhouse will resound to the sound of flailing birch besoms, while the paintbrush caresses the canvas as it strives to render this scene immortal.

MANORS

KĀRĻAMUIŽA MANOR

As the waters of the Amata River babble busily, a corn crane will scythe down a lesser butterfly-orchard in the meadow, while a stork will rattle loudly as he calls his love home. Apples will hit the ground bouncing to the rhythm in the century-old orchard. And in the bathhouse, the ripple of water will bring the steam out of stones, while a hammock gently will be oscillating in the breeze.
