

STARRY AND AUTHENTIC GAUJA NATIONAL PARK

The sky above the Gauja National Park is full of shining stars, always changing Moon, and now and then we are blessed with the northern lights.

The retreat offer takes you to beautiful locations in and out of lovely towns with minimal light pollution, providing an immersive journey into the wonders of the night sky.

Stay in cozy holiday houses and indulge in stargazing

Stay in holiday houses surrounded by silence and nature to stargaze and make a wish by seeing shooting stars. Only in a short distance from the towns of the national park, city lights affect less your view on the Milky way.

Perfect, cozy holiday houses in Gauja National Park: [The Sweetest Home](#) , [Jaunlīdumnieki](#)

Choose any of the great accommodations [HERE](#)!

In the shore of forest lake, among mighty trees, stay overnight in [Glamping Keep the Field and Free](#). In glamping, you can spend the night and enjoy the fabulous nature throughout the year.

Royal, cozy and excellent accommodations listed [HERE](#)

Visit starred restaurants

Year 2023 brought the deserved and expected stars in gastronomy! By visiting Gauja National Park visit starred restaurants that are included in MICHELIN guide and received MICHELIN GREEN STAR!

In the heart of Cēsis Old Town - [H.E. Vanadziņš North restaurant](#) delight the gourmets with sophisticated meal. How does Cēsis taste like? Like a smoked quail, dog rose or traditional rye bread? That's for You to decide. Come and enjoy a meal inspired by North.

In the magnetic and green village Līgatne restaurant Pavāru māja gained MICHELIN GREEN STAR for Gastronomy & Sustainability.

Explore the Space

During the daytime when the light doesn't let us see the stars, be closer to the stars in [Cēsis Space Education Centre](#). Across its three floors, interactive exhibits explain the role of space exploration in everyday processes, scientific achievements and inventions. The main and largest exhibit of the Space Exploration Centre is a replica International Space Station.

The beautiful natural phenomenon of the Aurora Borealis

From time to time northern lights make their appearance in skies above Latvia nad Gauja National Park.
