## Enjoy Active Recreation on Water in Gauja National Park

Gauja National Park is the largest and oldest national park in Latvia, which is permeated with power of primordial nature. When the spring awakes, river stream becomes faster and the shores thrive and flourish. Energetic and winding rivers flow in Gauja National Park. They welcome on adventurous trips in boat, canoe and raft in various routes.

Enter Nature

### *River Gauja*

*River Gauja is the longest River in Latvia. Boating in the river Gauja uncovers breathtaking view on cliffs, forests and meadows in the valley shores. You will find different routes and some of them include difficulty elements like rapids. River Gauja is perfect for adventures on boats, canoe, rafts and water tram.*

### *River Amata*

*River Amata is rapid. In spring, the water bubbles wildly and excitedly. The river winds through sandstones and dolomite outcrops which have formed over millions of years. Amata will bring true pleasure to experienced boaters in spring season.*

### *River Brasla*

*The river is unique with its dynamic of the flow. In the beginning the river is calm and latter the stream becomes faster. The flow of water may be changed by woody debris. Also colourful cliffs and sandy shores surround river Brasla.*

### *Ride On The Gauja River Tram*

*This adventure on the Gauja river tram is peaceful. In the shores lays Valmiera Old Town and untouched nature of the Gauja River banks. The captain has prepared interesting stories for passengers.*
