

Make Your Winter Exciting In Gauja National Park

Gauja National Park is the largest and oldest national park in Latvia, which delights visitors in all seasons. When the park is decorated with thick snow, it turns into a wonderland where you can enjoy the magic of winter.

In the territory of the Gauja National Park there are several ski slopes and snowboarding resorts, which are already open and perfect for both experienced skiers and those who are learning.

Enter Winter

"Zagarkalns" offers eight tracks of different difficulty connected to each other - you will find not only long and smooth slopes ideal for the beginners, but also dynamic tracks with steeper sections and sharp turns. For experienced enthusiasts there is a great snowboarding and freestyling park.

ZAGARKALNS

A great place to enjoy the longest slopes in Latvia in a picturesque environment surrounded by primeval natural. While going up by the ski lift and then enjoying an exciting descent down a slope, you can view bushy trees flashing by, the snouy hill and landscapes that will make you get authentic natural feelings.

OZOLKALNS

The City Track is located in the valley of the river Gauja. You can enjoy physical activities or unforgettable scenic views here. The most physically challenging hill, the longest descent, the widest slope, modern equipment, a picturesque view—all of this characterizes the Sigulda City Track.

SIGULDA CITY SKI TRACK

The centre offers artificial and natural snow-covered trails both for skiing lovers of all ages and professional athletes. Tracks are located in a scenic coniferous forest on elevated terrain with scenic trails and natural landscapes. The trail network is expertly groomed for skate and classic skiing.
